

### Spruce up for Spring

28 August 2008

Ladies, dust off your dresses and slip on your sandals as Spring is here and with Spring comes luxurious lunches that call for light and fresh raspberry-rimmed rosés. Wirra Wirra's Mrs Wigley has the perfect pink partners – two delicious new vintage rosés to bring to the party.

Mrs Wigley is the name of the legendary pussycat born at a neighbouring residence that became part of the Wirra Wirra tribe after her mum dragged her litter to settle in our open fermenters.

The 2008 Mrs Wigley Moscato is Wirra Wirra's fourth vintage of Moscato with the first two vintages sold through cellar door under the alias 'Muscats at Dawn'. When it began outselling the much-loved Church Block, we thought we must be onto something and let the cat out of the bag ... so to speak.

Our **2008 Mrs Wigley Moscato** is made from 60% Red Frontignac and 40% White Frontignac grapes – Frontignac being the New World synonym for the Muscat Blanc à Petits Grains variety. It is made in the classic Italian style, aromatic, low in alcohol and lightly sparkling with deliciously sweet fruit.

Pale straw in colour with a salmon hue, this wine displays a lovely bright nose with hints of musk sticks, orange peel and fresh summer berry fruits. Juicy summer berries and Turkish delight extend onto the palate perfectly balanced with a touch of sweetness and a lively tingle of fizz at just 6.8% alcohol.

The **2008 Mrs Wigley Rosé** is made from 100% McLaren Vale Grenache which gives her a fresh raspberry flush. The nose is a fragrant berry mixture of strawberries, raspberries and spicy cranberries. The palate has a creamy texture reminiscent of lemon curd and strawberry tart and finishes dry with bright cherry fruit and a surprisingly savoury complexity.

Winemaker Samantha Connew suggests that Mrs Wigley loves nothing more than to laze about in the Spring and Summer sun after a luscious lunch paired with a duck and water chestnut salad or berry pancakes with fresh ricotta and a drizzle of honey.
