

2007 MRS WIGLEY

Moscato

INSIDE OUT Drinks, Matt Skinner, FEB 08

“This is a fresh, fizzy and totally irresistible little wine with sweet, juicy peach and grape flavours. It’s only five per cent alcohol, too. Fun to look at and a lot of fun to drink”

WHO WEEKLY Buy of the Week, DEC 07

“A good one, Moscato like this, will smell of summer fruit and flowers and with its relatively low alcohol (5.5 per cent, about the same as a decent beer but much prettier).”

ADVERTISER Indulge, Tony Love, DEC07

93 POINTS

“The palest of blushes in the bottle, then lovely clean, sharp and crisp flavours expressing fabulously fragrant honeydew melon characters, finishing clean and refreshing for a long time. Excellent”

AUSTRALIAN TABLE Wine, Nick Ryan, DEC 07

“.....An expressive and floral wine, smelling of freshly crushed grapes and rose petals, and its moderate alcohol content makes it a particularly great option for a celebratory brunch.”

WINE BUSINESS MONTHLY TWTW, Anthony Madigan, NOV 07

“Summing up: A cute package with a lot of thought put into it”
