

2008 ORIGINAL BLEND

Grenache Shiraz

WINE FRONT Gary Walsh OCT 09

“...Bursting with juicy musky perfume and red fruits of the raspberry and cherry persuasion with a little earthiness and a delightful peanutty flavour....It’s medium to full bodied, supple and creamy tannined and strikes a most excellent balance between sweet and savoury. Has length, balance and abundant charm. It’s one of those wines that I want to rate much higher, such is it’s drinkability and general loveliness.”

“The name pays homage to the original Grenache shiraz make-up of Church Block, which since 1985 has been a cabernet shiraz merlot. Light, bright and clear; a deliciously juicy and vibrant wine, with a cornucopia of red flavours on the light to medium-bodied palate; great summer drinking while it retains its freshness over the next few years.”

THE AUSTRALIAN FINANCIAL REVIEW Tim White JUL 10

“Dark fruits welded with pretty currants and ferrous smells. Silky and creamy in that most attractive Grenache way, teetering on vanilla bean and Turkish Delight florals (which is all good), getting currant like the nose, but finishing sapid and dry.”
