

2009 SCRUBBY RISE

Sauvignon Blanc Semillon Viognier

EPICURE Uncorked, Ralph Kyte-Powell DEC 09

“This unusual South Australian blend mixes three grape varieties. Is the sum greater than their individual personalities? It works well, with tropical fruit notes meeting citrus and floral elements, tied together with a whisper of oak. A daube of fruit sweetness is dominated by a percing zip of acidity. Good summer drinking.”

THE WEEKENDER, ILLAWARRA MERCURY Kerry Skinner NOV09

“A combination of fruit from the Adelaide Hills, McLaren Vale and the Fleurieu Peninsula. Delightful summer wine, aromatic and zesty with bright tropical and citrus fruit flavours, lively acidity and a refreshing finish.”

JAMES HALLIDAY WINE COMPANION 2011 James Halliday

“A cunningly made wine, the sauvignon blanc tempered by a little Semillon and viognier plus 10% barrel ferment in new French oak; it has enough flavour to satisfy but not enough to distract from the more important jobs of talking and eating.”
