SPITBUCKET www.spitbucket.com.au MAY 2011

“...This delightfully pick-hued, gentle, slightly fizzy drink is great fun. A little touch of pleasing sweetness adds to the grapey and floral flavours.”

HILLS SHIRE TIMES, MANLY DAILY, NORTH SHORE TIMES Rick Allen, NOV 2011

“Drumroll please: this wine did a very rare thing – it passed my “mum test”. And that’s not easy because shes pretty much a non-drinker. But this was a huge hit – two-and-a-half glasses, no less. It has an easy appeal, with musky floral flavours, a touch of natural sweetness and a fine finishing fizz that keeps you coming back for more. A terrific starter for a hot day, but mums the word.”
