Grenache Rosé

89 POINTS

“Bright puce; an equal mix of savoury, spicy and red fruit components, and a dry finish, provides a rose for a wide range of foods.”

THE ADELAIDE ADVERTISER, DAILY TELEGRAPH, COURIER MAIL, HERALD SUN, TASTE.COM.AU Tony Love, SEP 2011

“We’re right into the heights of rosé season, with afternoons now warming towards sunset. That’s exactly when this should be the life of the party, with its bright lipstick-pink looks, a waft of raspberry cordials and musk sticks. There are also superbly managed Grenache picked crunchy and fresh with exciting minerality on the palate that drives the wine with energy and interest.”

NICK STOCK – GOOD WINE GUIDE 2012

“The same bright red/purple colour here, the 2011 rose has aromas of nectarine and white peach, with some red berries in the mix too – quite attractive. The palate’s tangy fruity appeal is undeniable: It’s crisp and juicy, with similar peach and red fruits here too; musky strawberry finish.”
