

2009 LOST WATCH

Riesling

THE WINE FRONT Gary Walsh, SEP 09

92 PTS

“Fragrant bath powder aromatics over fruit salad. It’s dry and clean with penetrating tart granny smith and lemon flavours and a touch of the old mineral. Lots of flavour but pretty tight and austere at the same time. Excellent persistence. Very good.”

WINEWISE Lester Jesberg, OCT 09

“Fresh restrained and minerally on the nose. Shows good richness of limey fruit and excellent balance. Very dry.”

THE WEEKEND AUSTRALIAN Top 100, James Halliday, NOV 09

“In 1947, Wirra Wirra founder Greg Trott lost the only watch he ever had (a gift from his father) and never bothered to replace it, time being unimportant. A fragrant bouquet leads into an intense palate with lime juice, apple and mineral singing in unison, reaching a crescendo on the finish.”

FHM Upgrade Booze Liquid Sunshine, FEB 10

“...Loaded with lemons and limes and rippling with fine filaments of lively acid, this cracker from the cool slopes of the Adelaide Hills can play on the sweetness of prawns and tackle the briny minerality of oysters in summer.”

BETTER HOMES & GARDENS Top Tipples, Better Wine, JAN 10

“Riesling is wonderful summer wine, on its own or with simple seafood. A gem from the Adelaide Hills, this wine is fresh, floral and cleansing.”

BENDIGO ADVERTISER Uncorked, FEB 10

“Classic South Australian Riesling, I don’t think there is anything better for a sunny Sunday afternoon! The nose is typically fresh and vibrant with hints of citrus peel and green pears. Zippy and zesty, there are flavours of freshly picked apples and lemon zest that fill your mouth. The long-lasting finish makes for a great wine that would be lovely with fresh prawns.”

“Here, a fragrant bouquet leads into an intense plate, with lime juice apple and mineral singing in unison, reaching a crescendo on the finish.”
