

2006 DEAD RINGER

Cabernet Sauvignon

STEPHEN TANZER INTERNATIONAL WINE CELLAR Josh Reynolds,

JULY/AUG 08

92 POINTS

“Deep red. Suave and seductively perfumed on the nose, with vibrant, floral-accented red berry and candied cherry aromas. Tangy redcurrant and raspberry flavours are gently supported by fresh acidity and firmed by slow-building tannins. Finishes sweet, spicy and impressively long, with outstanding clarity.”

93 POINTS

“Scented with violets, blackberries, dark plums, smoky mocha/vanilla oak and dark chocolate, this lightly meaty, smooth and polished cabernet marries its piercing berry flavours with fine grained oak and tight, crunchy tannin. It’s long and elegant, with a shapely and slightly minty palate with plump, juicy core that stretches out towards a fine and lingering finish.”

MCLAREN VALE WINE SHOW 2008 INTERNATIONAL JUDGES CHOICE

TASTE FOOD & WINE 2009 Matthew Jukes & Tyson Stelzer

“Wirra’s stellar Cabernet enters our list at half the price of many of the top end reds on the shelves. It is typical of this company to make this wine and, for that matter, its entire portfolio more accessible to wine lovers, so more people can

Enjoy world- class Cabernet without having to go to Bordeaux. It’s layered with gamey complexity, complex dark chocolate flavours and very fit tannins.
