

2008 MRS WIGLEY

Grenache Rose

CANBERRA TIMES Food & Wine , Fergus McGhie SEPT 08

“...The '08 Mrs Wigley is at the ripe, full-bodied end of the rose spectrum. Perfect for drinking on its own or with Chinese, it finishes dry and crisp.”

DAILY TELEGRAPH / HERALD SUN/ COURIER MAIL Angus Hughson OCT 08

“... this release from Wirra Wirra is particularly good. Flavours of summer strawberries and cherries sit on a medium weight palate with just a hint of sweetness right on the finish.”

MELBOURNE WEEKLY & MELBOURNE TIMES Jeff Gordon NOV 08

“...It's pink/red ,made primarily from grenache and has noticeable but acceptable summer fruit sweetness and enough acidity to make the finish clean.”

THE AGE Ralph Kyte-Powell NOV 08

★★★★

“This McLaren Vale rose is an ideal easy-drinking summer wine. Made from Grenache, the traditional standby for pink wines in the region, it has aromas of rosewater and red berries that are intense yet pleasantly soft. A dab of fruit sweetness enhances the impression nicely but it doesn't intrude unduly.”

SUNDAY TIMES Peter Forrestal FEB '09

COMING UP ROSÉS

“Another McLaren Vale wine in a popular style of ripe, intense strawberry and redcurrant flavours.”

HERALD SUN Drink, Paddy Kendler JAN '09

★★★★1/2

“The late Mrs Wigley used to live in the Wirra winery, a fond friend of the winemaking team and an expert mouser. But though naming a wine after a cat may seem frivolous to some, the product is seriously good. Based on McLaren Vale grenache, Mrs Wigley invariably features fresh cherry and red berry fruit flavour.”

SUNDAY AGE / SUNDAY HERALD Wine Lessons Sally Gudgeon, JAN '09

“... this McLaren Vale Grenache-based rosé ripples with bright raspberry fruit. It's fresh and textured in the mouth. Try it with chermoula-coated tuna.”
